12. (Confidential - JMM) Met with Senator Stuart Symington to whom I reported on a problem regarding some irregularities with an outside contract. He seemed entirely relaxed about the matter but appreciated being kept informed.

13. (Secret - JMM) Met with Dorothy Fosdick, staff of the Senate Government Operations Permanent Subcommittee on Investigations, and gave her an OER comment on an unofficial analysis of the Soviet economy by two dissident Soviet economists.

I briefed her on recent developments regarding Soviet ICBM testing and submarine construction, and military developments in the Middle East.
